Re: D & P Share Lent and "Share the Journey" Campaign, 2019

"I was a stranger and you welcomed me.." – Matthew 25, 35

Dear Brothers and Sisters in Christ,

With the blessing of the Canadian Conference of Catholic Bishops (CCCB), for over 50 years Development and Peace-Caritas Canada (D&P) has been working for justice in Asia, Africa, Latin America and the Middle East. With its partner organizations, D&P addresses the root causes of forced migration, supports refugees living in camps and helps poor communities who share what little they have.

Participating in Caritas Internationalis` global "Share the Journey" campaign begun by Pope Francis, D&P members and friends across Canada are working to create a "culture of encounter." Some of their efforts include walking the circumference of the globe (slightly more than 40,000 km!), in solidarity with the 68.5 million forced migrants worldwide.

In our diocese, walks have already taken place in North Bay through St. Peter`s Church and in Sudbury with the support of staff and students from the University of Sudbury. This spring walks will be taking place again in Sudbury through the efforts of the Francophone and Anglophone Diocesan Councils of D&P and in Sault Ste. Marie in collaboration with the Huron Superior Catholic District School Board. Watch for announcements in your local bulletins.

Becoming aware of what migrants are living is a first step on the road of encounter. The Lenten season of conversion leads to a transformation of our hearts that prepares us to welcome within our communities new sisters and brothers, to share their migration journey, to establish links and to write together a history grounded in solidarity. At the heart of this solidarity, we meet Jesus the Christ, a Jesus stranger among strangers, migrant amongst migrants, refugee amongst the refugees.

"In the face of migratory challenges today, Pope Francis says, the only sensible response is that of solidarity and mercy." Development and Peace and its partners offer us this opportunity to live this solidarity and mercy. Our donation to Share Lent allows them to continue to sustain community development programs and humanitarian aid in forty countries as well as to advocate against the root causes of forced migration.

Through prayer, participation in the Eucharistic celebration, Lenten sacrifices, alms and other gestures of solidarity, we learn to love and serve the Lord Jesus a little better. I invite you to support Development and Peace - Caritas Canada by supporting the D&P Share Lent collection on Solidarity Sunday, the 5th Sunday of Lent (April 7th) and by participating in a Migrant `Share the Journey` Walk, in your area. Look for information about these walks in your bulletins in the coming months.

Sincerely yours in Christ,
