NEXT FRIDAY!

Solidarity Walk & Hunger Meal

10:30 AM WALK inside or outside then come together for MASS at 12:05 PM.

Our Hunger MEAL will follow the mass. A simple fare of soup and a bun with coffee/tea served. You are invited to participate and show your solidarity with those who hunger every day!

This year we pray in a special way for those who have to flee their homes and seek refuge from poverty, armed conflict and many more reasons. Did you know that every minute, 31 people are forced to flee their homes?

Development & Peace is walking in solidarity with the 68.5 million children, women, and men who have been forced to flee their homes. Every step you take will send a strong message to the Canadian government that it must do more to end forced migration around the world.

WALK WITH PURPOSE

Our objective: to walk 40,075 km, the equivalent of the Earth's circumference, and raise funds to support Development and Peace's community development programs.
